

Introductory Hike with the PebbleCreek Hiking Club

Welcome to the PebbleCreek Hiking Club. We are a Club of dedicated hikers that offer a variety of hikes throughout Arizona and throughout the year designed at various skill levels to meet your hiking needs. The Introductory hike is generally about 4.2 miles long.

Our website is: <http://www.pchikers.org>. On it, you will find important information on upcoming events, hike schedules, and hiking and safety tips. When you have completed the items, including the Robson Circle walk, contact us at: PCHCIntroHike@gmail.com or call Dana Thomas (907-590-4425) to schedule a date for your introductory hike, generally on a Tuesday morning. We meet in the Eagles Nest Lobby, carpool to the Verrado Trailhead, and do the introductory hike. We are generally back in Pebble Creek by 11:00-11:30. See the bottom of the document for the latest Introductory hike schedule.

The fee to join the Club is \$10 per person per year payable upon your successful completion of the introductory hike process.

Gas costs are shared among the hiking participants; the gas cost for the Introductory Hike is currently \$2. Gas costs for regular hikes vary and are generally \$5.00 to \$15.00.

Hikes are structured around varying skill levels:
