

The PebbleCreek Hiking Club (PCHC) has been established to provide PebbleCreek residents with the opportunity to enjoy recreational hiking in an organized, safe and social environment.

Meetings are held at 7 PM on the third Thursday of the month, September through April, in the Tuscany Falls Clubhouse Ballroom. Visitors are always welcome.

Our prime season is from late September to early May, with hikes divided into three categories:

“B” rated hikes: 7 to 12 miles and/or 1500-3000 feet cumulative elevation gain

“C” rated hikes: 5 to 7 miles and/or 500-1200 feet cumulative elevation gain

“D” rated hikes: up to 5 miles and/or less than 500 feet cumulative elevation gain

Hikes are held on the following days:

“B” hikes each Monday, Thursday and Friday

“C” hikes each Monday, Wednesday, Friday and Saturday

“D” hikes each Tuesday, Thursday and alternate Saturdays

Introductory hikes are each Tuesday. An “Introductory Team” will assist potential new hiking members in advance of hiking with the PCHC. The process will help determine a hiker's ability and skill level, so the hiker may hike safely once he/she begins to participate in regularly scheduled hikes with the PCHC at their ability level. Introductory hikes are scheduled in advance of regular hikes.

Members carpool to the trails from the Eagles Nest Clubhouse, and share the costs. We alternate locations here in the Valley, and sites within a reasonable driving distance from PebbleCreek. The club also sponsors overnight hikes each year.
